Connection Plus (Ref. TN 95-112).)	OF TARIFF

This matter comes before the Public Service Commission of South Carolina (the Commission) on the July 13, 1995 request of Sprint Communications Company L.P. (Sprint) to withdraw its proposed tariff provision to its South Carolina Tariff No. 3 to change the maximum rates for Sprint's Sense Subscribers.

In our Order No. 95-1091, dated May 17, 1995, we held that since the proposed revision increased the maximum rates for the Sprint Sense portion of the tariff, that a hearing should be held. That Order also set pre-filing dates.

Sprint now comes before this Commission requesting withdrawal of the proposed change in maximum rates to Sprint Sense subscribers.

The Commission has examined this matter and believes that the relief requested by Sprint should be granted. Further, the
